GENERAL FUND S

2017-2018

This aerial photo of Warwick City Hall and Apponaug Cove was taken by The Honorable Frank Picozzi, who served as a member of the Warwick School Committee for six years. Two of those years he served as the Chairman of the School Committee. Frank is a self-employed contractor and has two major hobbies: an annual Christmas light display and using his drone to take photos of the beautiful coastline of the City of Warwick. Mayor Avedisian thanks Frank and his family for their tremendous commitment to the City. Pictured, in addition to City Hall and Apponaug Cove, are the Central Rhode Island Chamber of Commerce, St. Barnabas Episcopal Church, Warwick Central Baptist, and St. Catherine of Siena Roman Catholic Church.

Mayor Scott Avedisian

Mayor Scott Avedisian

Fiscal Year 2018 Budget Address

May 17, 2017

TO THE HONORABLE, THE CITY COUNCIL AND THE PEOPLE OF THE CITY OF WARWICK:

As we travel throughout the City, it is easy to see many signs of continued growth and development happening at every turn. Upticks in both large-scale developments, the opening of many small businesses, increased hotel revenues and an upswing in residential housing projects highlight Warwick's foundation as a leader in economic recovery. This year's significant investment of private funds into our community offers a renewed confidence in the City's sound fiscal and economic management. All of these factors contribute to the full-scale transformation of the City.

Another mild winter in the Ocean State enabled construction crews to remain on schedule with two major transportation projects in the City. The \$71-million Apponaug Bypass project continues to move full steam ahead, with a completion date of fall 2017. The project, which will transform the once congested Apponaug Village into an old-fashioned, pedestrian friendly, historic seaside village, will improve traffic flow, motorist and pedestrian safety and aid in attracting more small businesses into the local area. Additionally, work continues to move ahead on the development of the "Apponaug Center" where a RIDEM grant will help transform the parcel of land near the "sawtooth" building into a welcoming village green that celebrates Apponaug's unique role within our community.

The second project that continues to move full steam ahead is the expansion of Runway 5 at T.F. Green Airport. The project will add to the overall efficiency of the airport. With added runway space, T.F. Green will be able to accommodate coast-to-coast and international flights. Lengthening the runway will also further enhance the efficiency of the New England Regional Airport System since studies have concluded that a runway length of 8,700 feet will meet long-term business needs. With the expansion well underway, new flights and carriers have been added to the roster. Norwegian Air, SATA-Azores Airline and Condor Airlines now offer direct access to international destinations including Ponta Delgada, Frankfurt, Belfast, Cork, Dublin, Edinburgh and Shannon. Construction on Runway 5 is slated to be completed in December 2017.

Continuing to add to the economic growth and hospitality industry is the addition of the City's 17th hotel. In January, D'Ambra Construction Co. received final approvals from the Rhode Island Commerce Corporation for the new hotel located on the boulevard near the airport. The \$20-million project will create 145 construction jobs and approximately 30 permanent jobs upon its completion. The hotel is the first of multiple new construction projects slated to be erected on the old asphalt site. In addition

to the D'Ambra project, Carpionato Group announced the addition of 100 rooms to the existing Crowne Plaza, as well as other potential additions to their property.

In related news, the Department of Tourism Culture and Development's successful marketing efforts are reflected in the achievements of the Warwick hotel community. Year over year occupancy numbers reached the low 70's with an average daily room rate of \$100.10, up 4.2%. This rate increase resulted in revenue growth per available room of 2.5%. And, in other hospitality-related news regarding restaurants, fiscal year 2016 showed a 2% increase in Warwick's meal tax collections, with 2017 already showing signs of another successful year.

These additions to the City's travel, tourism and economic development industries will continue to put Warwick on the map as a City that is not only a great place to live and work, but also an accessible and desirable place to visit. Pedestrian Improvements are also coming to the area. The \$3.8 million project on Coronado Road will bring both safety and accessibility enhancements to the road linking Post Road to Jefferson Boulevard. Improvements included are the installation of pedestrian signal equipment, reconstruction of wheelchair ramps and improvement to the visibility of crosswalks. Guardrail and drainage improvements along with new landscaping will complete the project.

There have also been significant developments related to City Centre Warwick, the transit-oriented neighborhood surrounding T.F. Green Airport and the InterLink intermodal commuter rail station. In the fall of 2015, a proposal, spearheaded by the Planning Department, for a zone change to expand the City Centre Warwick Intermodal District from 95 acres to 110, was approved, allowing the City and developers the opportunity to further capitalize on the tremendous infrastructure investment and locational advantage of the area. Following that proposal, the City Council approved legislation allowing for Tax Stabilization Agreements within City Centre Warwick. The measure, which complements state law, is applicable to new developments costing \$5 million or more. The Tax Stabilization initiative has helped jumpstart redevelopment and revitalization in the area. As always, I thank the City Council for their unanimous and continued support of this initiative.

We are also encouraged by other projects popping up throughout the City. Businesses, both big and small alike, are now calling Warwick home. We recently welcomed numerous businesses to the City, including the new Duluth Trading Company, the company's first Rhode Island store; the new AtHome décor superstore, also the first store in Rhode Island; Purrs and Paws; Fine Time Jewelry; ADD Systems; Exit Reality; DIF Design; Planet Fitness and several more. The revitalization of Rhode Island Mall also continues. It was recently announced that BJ's Restaurant and Brewhouse, a West Coast-based eatery, will be moving into a section of the old Sears Auto Parts and both Dick's Sporting Goods and Planet Fitness will be relocating from their current locations to sites inside the mall. Burlington Coat Factory, which opened its doors last September, continues to be a huge draw for the mall.

The revitalization of the historic Pontiac Mills complex also continues. The project, which benefited from the approval of state historic tax credits and federal credits – all totaling \$9 million – will see the conversion of buildings into residential and mixed-use spaces. Current plans call for the construction of 150 apartments, split into two phases, followed by a third development phase that would include additional residential units and/or commercial uses. The developer is committed to preserving as many

historic features as possible throughout the renovations. We are heartened by the revitalization and repurposing of this landmark, which continues to stand as a symbol of our community's rich heritage as well as the generations of people who helped to shape our City as a whole.

Public Safety remains of upmost importance across the City. In a recent analysis conducted by WalletHub, Warwick was ranked the "best" city with the lowest number of violent crimes per 1,000 residents, at 1.02. In addition to our "best" ranking, Warwick was also ranked the 28th best-run city overall across six key dimensions, including financial stability, education, health, safety, economy, as well as infrastructure and pollution. These rankings are no doubt a reflection of the hard work, dedication and commitment that those who live and work in Warwick have to our community. Additionally, my administration is deeply committed to ensuring that residents are proud to live here and that starts with sound fiscal management, affordable housing and superior City services. With 39-miles of coastline and a booming travel and tourism industry, Warwick is truly a vibrant and picturesque place to call home.

The beautiful and iconic Rocky Point Park continues to draw thousands of people to enjoy its breathtaking views, trails and scenery each year. Last year, the Rhode Island Foundation awarded a \$5,620 grant to the Rocky Point Foundation to purchase materials to revive the beloved arch. City crews were able to perform the work and in September the newly restore landmark was unveiled. Thanks to the collaborative efforts from all involved, one of the four remaining, "Peace Through Understanding" arches continues to stand tall at Rocky Point.

In addition to the restoration of the arch, this season visitors will be able to enjoy a newly expanded walking path and bike path this season. A new fishing pier received final approvals this month and construction will soon begin on the project. Additionally, a series of signs are slated to be installed depicting fan favorite locations of the old amusement park in the very soon. Thanks to the 2016 Leadership Rhode Island team, 10 signs will be placed strategically on the grounds highlighting some of the most iconic areas of the park. Signage will include the Shore Dining Hall, the Swing, the Pool, the Skyliner and House of Horrors, just to name a few. In the coming weeks, the Department of Public Works will install the signage in their permanent locations. The signs signify another tangible milestone showcasing how far Rocky Point has come during the last several years. They are a welcome and unique addition to the grounds and will be enjoyed for generations to come.

The City and the state Department of Environmental Management continue to work collaboratively on matters related to the park and remain committed to increasing programming at Rocky Point. Upcoming events include the return of the Central Rhode Island Chamber of Commerce's very successful Movies in the Park series, as well as a Save The Bay cleanup, a fishing camp, the annual 5K road race, a BoldrDash and for the first time, Rocky Point has been added to the Summer Concert Series rotation. Finally, the ever-popular, family-friendly Food Truck Nights will also be stopping at the park this year. During each movie night, as well as the first Thursday in July, food trucks will be at Rocky Point for families to enjoy.

On other recreational fronts, the City is currently working on finishing the fields at Belmont Park, which will become the new home for the Warwick Elite Bombers Softball League. Multiple tournaments are already slated to be hosted on the fields this summer. Thirty teams, many of which will be traveling to Warwick from out of state, have already registered to participate in the

first series. Local hotels will undoubtedly see an influx in reservations with each tournament. Additionally, work continues to progress at the Cooper Armory with final programming right around the corner. Some of the anticipated programs include pre-school and youth sports classes, nutrition education classes for all ages, healthy eating on a budget, self-defense classes, aerobic and yoga classes for all ages, art classes and much more. In addition to anticipated City programming, the City will also be collaborating with the Boys and Girls Clubs of Warwick to offer after school programs for our local students. The Cooper Armory, located adjacent to the Mickey Stevens sports complex, will further enhance Warwick's recreational facilities, while simultaneously providing students and families with a plethora of new and unique recreational and educational options. It is also worth noting that both City Park, as well as Rocky Point have received grants for future upgrades to the grounds.

Finally, our efforts to protect and educate residents and visitors about Warwick's natural resources had three big wins this year. In November, 3.5 acres of waterfront property in Passeonkquis Cove was preserved as open space. The National Heritage Preservation Commission Local Open Space Conservation and Acquisition Grant supported the project in conjunction with the Warwick Land Trust. Thanks to the dedication from all parties, the City was able to take ownership of the pristine waterfront acreage. Adding to the accessibility of Warwick's vast ecological history, the Warwick Wildlife and Conservation Commission recently developed four educational tours to explore Mary Creek, Greene's River, Mill Creek and Cloud Hill Arboretum. The Rhode Island Wildlife Action Plan recently deemed each site as "distinctive" due to their unique and interesting ecological histories. Lastly, in April, the City was awarded its 17th consecutive "Tree City USA" designation, an honor bestowed by the National Arbor Day Foundation, in cooperation with the National Association of State Foresters and the USDA Forest Service.

Our municipal employees are hardworking and dedicated, and I thank them for their continued commitment to our City and the pride they take in providing exceptional services to our residents. It is no surprise that they are continually asked to serve on statewide and local boards and commissions and have been recognized by their peers year after year for exemplary service and professionalism.

The proposed budget for FY2018 is \$310,451,620. Of that amount, \$165,238,442 has been allocated to support our school system and \$145,213,178 has been allocated to fund municipal services. This budget proposes an overall increase of \$11,723,501 or 3.92% over the prior year's adopted budget.

As the School Department and Warwick Teachers Union continue to work toward a resolution of their long contract dispute, this budget provides a \$2.4 million for such purposes. That amount is in the School Department budget, but under an agreement with the Superintendent, will not be released for any other purpose than a resolution of contract negotiations.

In developing this year's budget, we took the current FY2017 budget as the starting point. After performing a careful analysis, budget proposals in many instances were reduced by taking a critical look at proposed requests from department directors and division chiefs. As a result of this process, the proposed tax rate increase is 46 cents, which equates to a tax levy increase of 1.76% increase, well below the 4% state-mandated property tax cap.

Based on property assessments effective December 31, 2016, the budget as proposed will require a residential tax rate of \$20.70 and commercial/industrial and tangible personal property rates of \$31.05 and \$41.40, respectively. It should be noted that the budget assumes a tax collection rate of 98.5%, which is consistent with the local economic conditions. I am proposing a fund balance drawdown of \$3,000,000 in order to reduce the burden of a larger tax increase for the residents of the City. The rates represent an increase or 2.27%.

The motor vehicle exemption of \$2,000 remains unchanged. This is \$1,500 more than the minimum \$500 required by state law. That rate, \$34.60 per \$1,000 of assessed value, remains unchanged.

As of December 31, 2016, the median single family home in the City is currently valued at \$176,000. In this example, the proposed tax increase would mean that this homeowner would pay an additional \$80.96 in property taxes for the next fiscal year.

In Warwick, we pride ourselves on changing and evolving to create a community that both residents and visitors can be proud of. Contributing to Warwick's unique appeal is our picturesque coastline, outstanding City services, vast recreational activities, unparalleled public safety and our growing economic and tourism industries. None of these things have happened by accident. They are a direct reflection of all the hard working people who are devoted to ensuring that Warwick remains an extraordinary place to live, work and raise a family. Our deep sense of community and togetherness guarantees that all future generations will be able to enjoy Warwick in many of the same ways we have. I thank you all for your unwavering dedication and your belief that many of our best days remain ahead of us.

Respectfully,

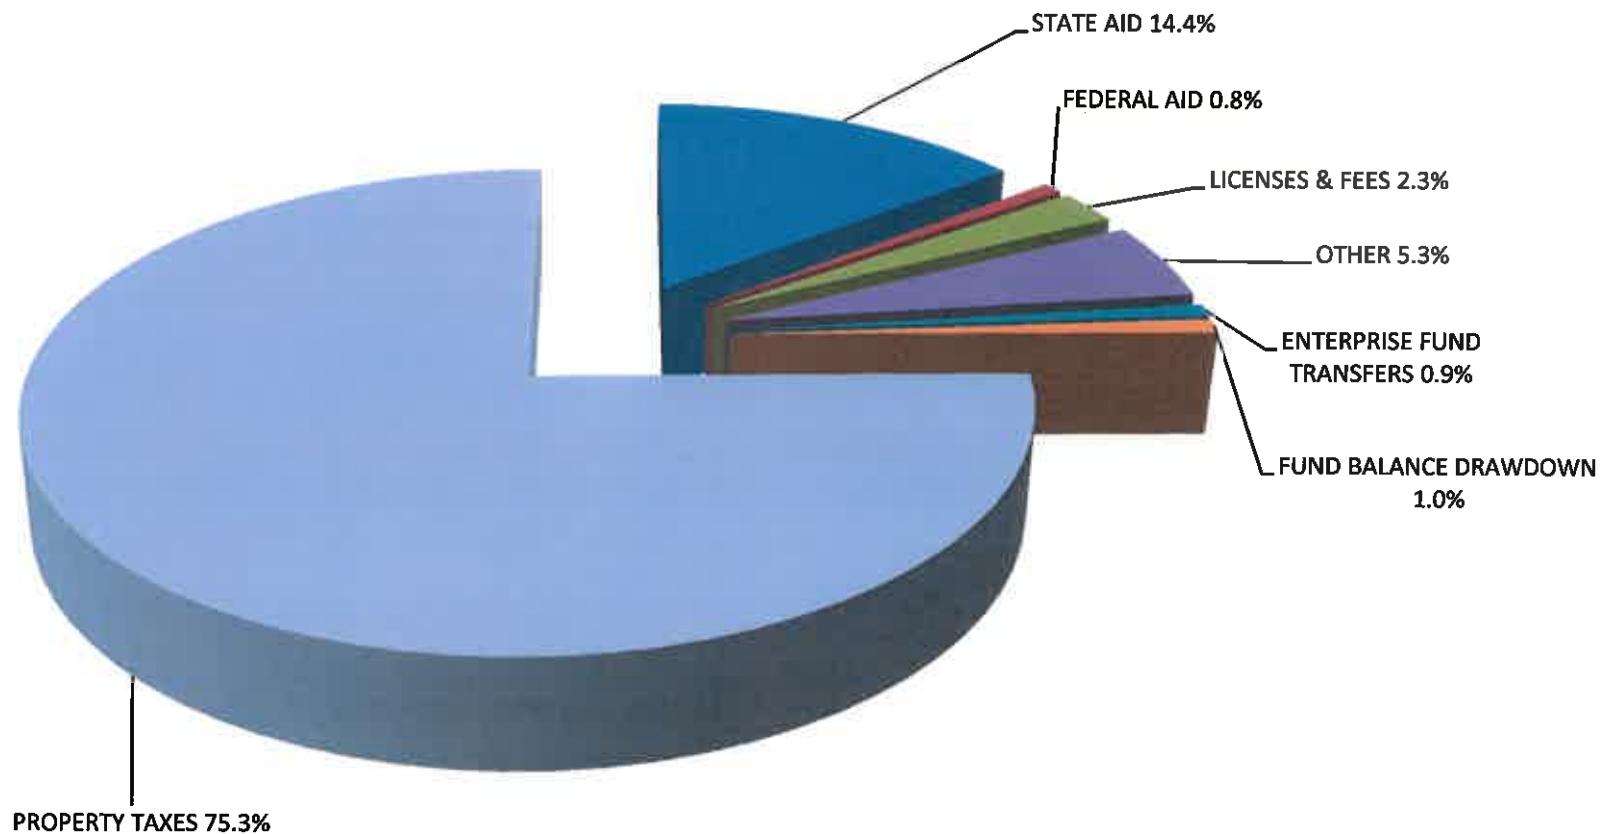

Scott Avedisian
Mayor
