"Rocky Point's rich history as a summer destination dates back to the 1840s. The property is situated on 123 acres along the City's eastern shore with breathtaking views of Narragansett Bay. The iconic arch (pictured here) was originally created by General Mills as one of 11 originals that represented "Peace Through Understanding." The arches stood as markers during the New York's World Fair. For many years, there was also a lot of speculation as to how it came to stand at Rocky Point. Until recently, it remained a mystery. However, we now know that Vincent Ferla, Sr. brought the arch here in three pieces from Chicago.*

EXECUTIVE CHAMBER

CITY OF WARWICK

RHODE ISLAND

**SCOTT AVEDISIAN
MAYOR**

To the Members of the Warwick City Council and the people of our community:

For the last 18 and a half years, I have had the honor to lead this community and to watch our collective growth as Mayor. For nine years before that, I had the privilege to serve as a member of the City Council where I worked with numerous council members and mayors to define what makes the City of Warwick a great place to live, to work and raise a family. Therefore, I would first like to sincerely express my gratitude to the residents of Ward One who elected me five times as their Councilman and secondly, to all the residents of Warwick for electing me ten times after that as Mayor.

Over the course of the last several weeks, much time has been spent reflecting on all the changes that have taken place in the last 27 and a-half years. It is truly incredible to think about some the major achievements and milestones that have been accomplished. For starters, we have created hundreds of jobs, preserved open spaces, protected and improved our quality of life, balanced our budgets, lessened bonded indebtedness and preserved our high bond rating. In addition to the many fiscal accomplishments achieved, I am extremely proud of several key projects that have been the cornerstone of my administration. From preservation and rebirth of Rocky Point, to the Apponaug bypass project, the runway expansion at T. F. Green and the redevelopment of City Centre, the economic engine in Warwick continues to meet and surpass all expectations. However, none of these successes would have been possible without the help of so many dedicated people working behind the scenes.

Now the time has come for a transition. Although my time as Mayor has come to a close, I know that the City of Warwick will continue to grow and thrive under the incoming administration. However, it is incredibly difficult to outline and determine a set of priorities for which the new administration to govern under. With that in mind, this budget process has been unlike any before, taking on an entirely different tact.

Therefore, I present for consideration to the City Council a preservation budget. I recommend that the Warwick Public Schools receive the same amount of appropriation from the last budget along with the additional \$3 million that the City Council voted to give them after the last budget was approved.

On the City side, there is money allocated that would allow the City Council to ratify the two Tentative Agreements that have been reached with the Warwick Fraternal Order of Police and

Local 1651 of Council 94 (the municipal union). At the time this budget document was needed in the Division of Municipal Finance, no agreement with the International Association of Firefighters had been reached. Therefore, no funds for raises have been budgeted.

These proposals were all accomplished by keeping the tax rate at its current level. However, as I stated previously, I will not speculate on whether this budget will remain intact, as it is difficult to assess the priorities of the incoming administration. However, I understand that Acting Mayor Solomon will review the proposals and may adjust accordingly based on his own set of priorities moving forward before making the budget official.

During this bittersweet time, I would like to sincerely thank the team that negotiated contracts, produced transition documents, and formulated budgets. Special thanks to City Solicitor Peter Ruggiero, Chief of Staff Raymond Studley, Interim Finance Director Bruce Keiser, Treasurer Brian Silvia, Lynne Proder and so many others for their efforts.

Finally, I will always remain grateful for the wonderful memories of the last two and a half decades. Thank you for the unwavering support, dedication and, most importantly, the love that has been shown to this City. It has been an honor and a pleasure to serve as your Mayor.

Sincerely,

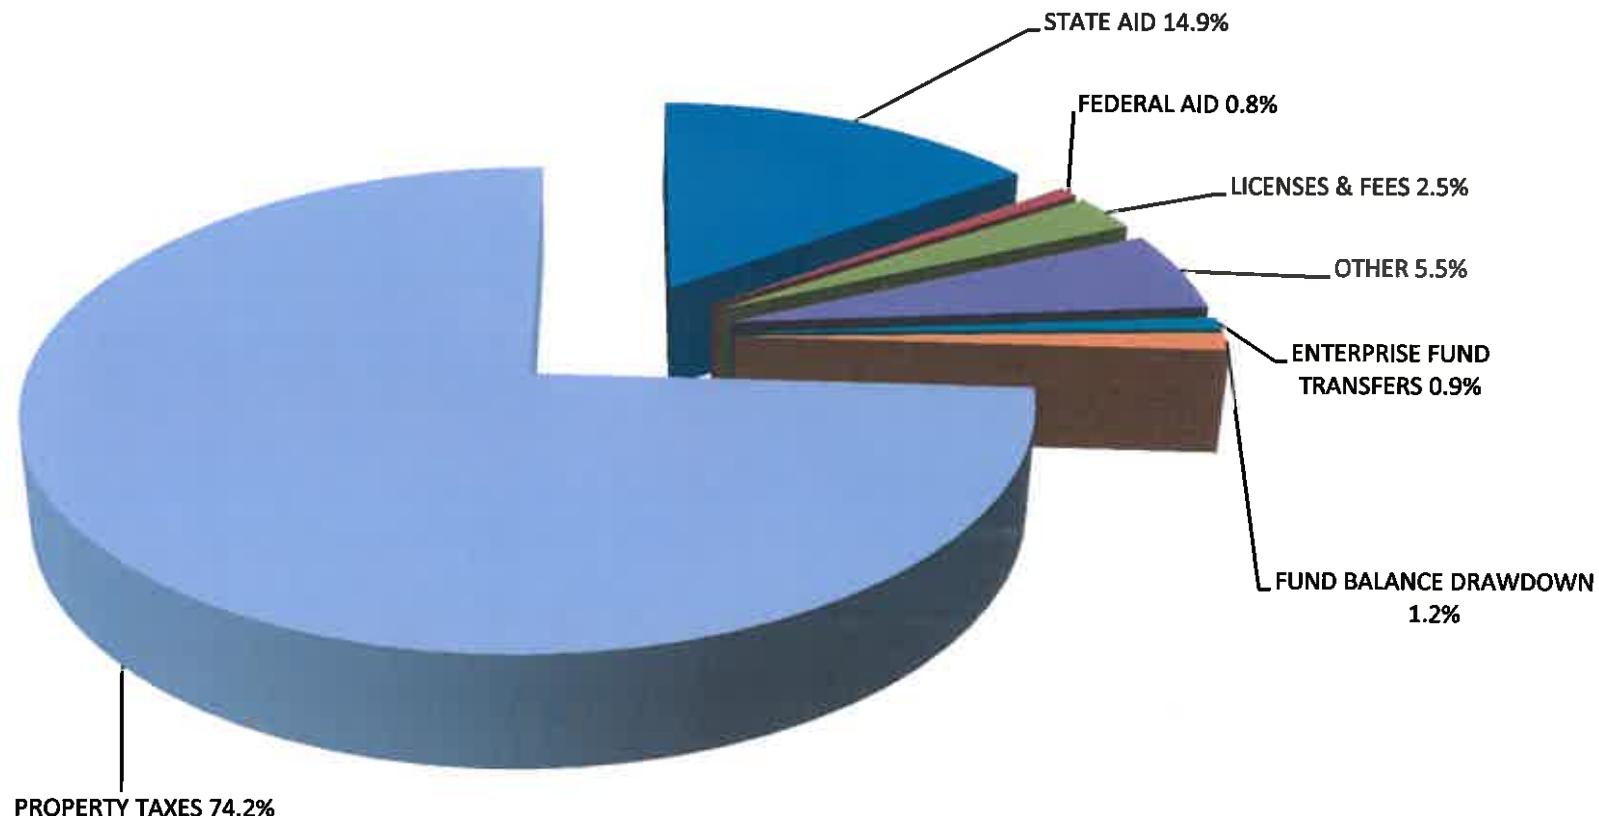

Scott Avedisian, Mayor
Cc: City Clerk
