Re: Bid2022-031 Purchase Automated Side Loader Sanitation Vehicle(s)

We have reviewed the bids submitted with different bodies available and recommend award to Ballard Mack Sale and Service of RI with the body provided by Sanitary Equipment. The total cost of this request is \$992,604 for three vehicles and will be funded through the lease purchase account. This department is requesting to purchase this particular vehicle because the majority of our sanitation fleet has Sanitary Equipment bodies. If the other bid option was awarded, this department would have to stock a completely different line of parts for those vehicles. This department is requesting a contract period one year from date of award.

The bid for *Medical Supplies and Equipment, Bid#2022-039* has been carefully reviewed by the Fire Department.

Ten (10) vendors submitted bids, and after evaluating pricing the following vendors have met all the specifications outlined in our request and have proposed the lowest price. Therefore, I recommend the bid be awarded to the following vendors:

Bound Tree Medical, Dublin, OH

Stryker Sales, Kalamazoo, MI

Teleflex, Morrisville, NC

Please note:

1. Bound Tree Medical submitted the lowest pricing on most of the items specified. Therefore, the Department is recommending them as it would be in the best financial interest of the City.
2. Although QuadMed submitted the lowest pricing on a limited number of the items. The Department cross referenced the price difference between them and Bound Tree Medical along with the estimated usage of each of the items where QuadMed was lowest. After tabulating these results, the cost saving that would be realized by adding QuadMed as an additional awardee only resulted in less than \$500 in savings. The department does not feel that this savings was significant enough to add them as an additional awardee.
3. Stryker Sales Corporation is the original equipment manufacturer for both Physio-Control and Stryker products. Additionally, the prices that they submitted was in some cases significantly lower than Bound Tree Medical. The Department is recommending that Stryker Sales Corporation be added as an additional awardee for the 25 items that they submitted a bid for on their OEM parts. There are a significant number of these items that the Department intends to purchase during this contract, so we believe it would be in the best interest of the City to award them these items.

Email: Jason.Umberhauer@warwickri.com

4. Teleflex is the OEM manufacturer of the items that they submitted pricing on. Specifically, on items 219 through 222 they were the only bidder. This would cause a hardship on the department if we were without a bid award for these specific items. Therefore, the Department is recommending that Teleflex be awarded the items that they submitted pricing for.

The current bid expires on 7/20/2021 and the Department is requesting an award for one (1) year, in a total amount not to exceed \$70,000. Funding for this award will be from budget code 35-367 EMS Supplies & Equipment.

Please contact me should you have any questions.

Re: 56-6 – Exception to Bid – OpenGov, Inc.

This is a request under City Ordinance 56-6, Exception to Bid, to award the annual service and support contract for the OpenGov Cloud service to OpenGov, Inc., in the amount of \$33,907.00, as the sole provider of their software. This software is used for e-permitting throughout the City. The previous bid expired on May 31, 2021.

This expense is significantly higher than previous invoices. The reason is a shift in the licensing model. While base support licensing was lower in the past there was a limit on available permits that could be issued. Exceeding those limits would require adding additional licensing as a significantly higher rate than the base license. And, as you can imagine, predicting licensing needs at the beginning of a cycle is nearly impossible. The company has now changed to an unlimited licensing model that, while carrying a higher base cost, eliminates the opportunity for high licensing costs for overages. Additionally, we will now be able to utilize this software in other permit issuing departments at a lower base rate of approximately \$3,000 each.

This support contract runs from June 1, 2021 through June 30, 2022.

OpenGov, Inc., 955 Charter Street, Redwood City, CA 94063, is the proprietary owner of this software and as such are the Sole Source for the use and support of the product.

This expense is budgeted in and will be paid for out of Budget Code 25-334.

RE: Purchase Authorization – Police Undercover Operations; FY 2022/2023
City Ordinance 56-6 "Exception to Notice Requirement"
Bid #2021-084 expires October 31, 2021
Funding Source: Federal Asset Forfeiture – Budget Code 364-0400

Dear Mrs. Peshka:

The Warwick Police Department is seeking authorization under the provisions of City Ordinance 56-6 to make expenditures for police undercover operations. This exception to notice is requested in order not to compromise any undercover narcotics operations undertaken by the department as part of suppressing criminal activities.

If approved, funding for these expenses will be funded through the federal asset forfeiture code, 364-0400 and would not exceed \$20,000.00. Vouchers will be prepared quarterly, as needed, in an amount not to exceed \$5,000.00.

The current contract expires Sunday, October 31, 2021. We are asking to change the contract year to run from Friday, October 1, 2021 through Friday, September 30, 2022, to coincide with the US Federal Government fiscal year. Enclosed is the Docket and/or Bid Requisition Form to meet your office's requirements.

Should you have any questions or concerns, please feel free to contact me at 401/468-4224.

Re: Bid Recommendation – Police Department
Bid# 2022-038 Medications for Emergency Medical Services
Funding Source: Budget Code 30-230 Community Police

Dear Mrs. Peshka:

The department has reviewed the only bid received for Bid #2022-038, "Medications for Emergency Medical Services."

The following is the bidder that provided a price on Item # 32:

1. Bound Tree Medical, LLC, 5000 Tuttle Crossing Blvd., Dublin, OH 43016

The police department recommends Bound Tree Medical, as they are the lowest and only qualified bidder and we request permission to spend up to **\$2,000.00** on an as needed basis, for this award.

The police department seeks to purchase a 4mg dose with an all in one applicator that doesn't require assembly.

If approved, this purchase will be paid for from the Police Department Operating Budget, Budget Code # 30-230, Community Police. The contract would be valid for a one year period from July 21, 2021 through July 20, 2022. The current contract expires July 20, 2021.

Please feel free to contact me if you have any questions.

Sincerely,

Major Michael Lima
Administrative Bureau Commander

Re: Bid # 2022-039 Medical Supplies and Equipment
Funding Source: 30-260 Misc Police Gear

Dear Mrs. Peshka:

The Warwick Police Department has received ten (10) bid responses on Bid # 2022-039. The following 10 companies provided responses for the rubber gloves and other medical supplies/equipment the department is looking to purchase:

Bound Tree Medical LLC; 5000 Tuttle Crossing Blvd., Dublin, OH 43016
Mersi Distribution LLC; 480 NE 31st St., Miami, FL 33137
US Health Express Corp; 18701 Arenth Ave., City of Industry, CA 91748
ECO Global MFG; 292 Charles St., Providence, RI 02904
Venous Technologies Inc.; 149 S. Barrington Ave. Suite 607, Los Angeles, CA 90049
Quadmed Inc.; 11210-1 Phillips Industrial Blvd. East, Jacksonville, FL 32256
Stryker Sales LLC; 2825 Airview Boulevard, Kalamazoo, MI 49002
Ferno Washington, Inc.; 70 Weil Way, Wilmington, OH 45177
Teleflex; 3015 Carrington Mill Blvd., Morrisville, NC 27560
Mini Wing USA; 2516 Via Tejon STE 216, P.V.E., CA 90274

The following seven (7) companies provided responses for the rubber gloves (items #158-161), N95 masks (item #167), surgical masks (item #169), face shields (item #171), Purell Dispenser/Refills (items #174-175), and AED batteries/pads (items # 230 and #237-238) that the department is looking to purchase:

Bound Tree Medical LLC; 5000 Tuttle Crossing Blvd., Dublin, OH 43016
US Health Express Corp; 18701 Arenth Ave., City of Industry, CA 91748
Mersi Distribution LLC; 480 NE 31st St., Miami, FL 33137
Quadmed Inc.; 11210-1 Phillips Industrial Blvd. East, Jacksonville, FL 32256
Venous Technologies Inc.; 149 S. Barrington Ave. Suite 607, Los Angeles, CA 90049
Teleflex; 3015 Carrington Mill Blvd., Morrisville, NC 27560
Mini Wing USA; 2516 Via Tejon STE 216, P.V.E., CA 90274

After reviewing the responses, we recommend splitting the bid between the two (2) overall lowest qualified bidders: **US Health Express Corp** to be awarded the bid for rubber gloves (#158-161), surgical masks (#169), and face shields (#171). **Bound Tree Medical, LLC** to be awarded the bid for N95 masks (#167), Purell dispensers/refills (#174-175), and AED batteries/pads (#230 and #237-238). Each officer is required to carry a pair of rubber gloves that are to be used

to protect themselves against exposure to blood borne pathogens, narcotics, as well as a host of other things that a police officer may encounter during their tour of duty. This requirement is not only indicated in our Policy and Procedures but is a matter of common practice and common sense. Additionally due to the Covid-19 pandemic, the police department has a need to provide officers with additional PPE.

We request permission to purchase up to **\$10,000.00** during the one year contract. Funding, if approved, would come from Budget Code # 30-260 Misc Police Gear. The current bid expires July 20, 2021. The new contract would be from July 21, 2021 – July 20, 2022.

Please feel free to contact me if you have any questions.

Sincerely,

The bid for *Purchase 20HP 4-Stroke Marine Outboard Motor, Bid#2021-357* has been carefully reviewed by the Fire Department.

Two (2) vendors submitted bids, and after evaluating the proposals the following vendor has met all the specifications outlined in our request. The Fire Department is recommending the bid be awarded to the following vendor:

Ocean House Marina, Charlestown, RI

The bid submitted by Maritime Solutions indicates that there is currently a 3-4 month wait on motor delivery to the installer by the specified manufacturer Tohatsu. In the interest of public safety to maintain quick and efficient emergency response in the maritime domain, it is my opinion that a wait of 3-4 months to take delivery is unacceptable. The department's Boat 4, a crucial and first due marine asset to incidents on Conimicut Point, has been out of service since the summer of 2020 due to the catastrophic failure of its 1992 Nissan 18 HP. Diagnostics provided by Salk's Hardware and Marine, a certified sales and repair vendor for Nissan/Tohatsu outboard motors, deemed the motor unrepairable. In an email received from Rob Lyons of Ocean House Marina, we were advised that they have the specified Yamaha motors in stock.

In addition, Boat 1 also has the same make, model, and year outboard motor and is beginning to show signs of wear and tear and increased risk of failure. Given the age of the motor, risk is high this motor could fail as well and parts are less readily available for any repairs. For this reason, we recommend the purchase and installation of two (2) Yamaha F20SMHB motors for both Boat 4 and Boat 1.

The Department is requesting an award for one (1) year, in a total amount not to exceed \$7,394. Funding for this award will be from budget code 35-236 Marine Rescue Operations.

Please contact me should you have any questions.

The bid for *Structural Firefighting Gloves*, Bid#2022-034 has been carefully reviewed by the Fire Department.

Two (2) vendors submitted bids, and after evaluating pricing the following vendor has met all the specifications outlined in our request and have proposed the lowest price. Therefore, I recommend the bid be awarded to the following vendor:

C&S Specialty Inc, North Smithfield, RI

Please note:

1. C&S Specialty also submitted a price on alternative glove, that does not meet our specifications.
2. The Department strongly discourages the purchase of the above alternate gloves due to the safety concerns resulting from the use of a glove so far out of specification.

The current bid expires on 6/30/2021 and the Department is requesting an award for one (1) year, in a total amount not to exceed \$5,000. Funding for this award will be from budget code 35-282 Turnout Gear.

The bid for *Janitorial & Cleaning Supplies for the Fire Department, Bid#2022-035* has been carefully reviewed by the Fire Department.

Ten (10) vendors submitted bids, and after evaluating pricing the following vendor has met all the specifications outlined in our request and have proposed the lowest price on the majority of items specified. Therefore, I recommend the bid be awarded to the following vendor:

Banner Systems, Inc., Brockton MA

In comparing pricing from each vendor, Banner Systems was lowest on most of the items that the Department uses in large volume, therefore offering the most cost effective single vendor solution.

The current bid expires on 6/30/2021 and the Department is requesting an award for one (1) year, in a total amount not to exceed \$15,000. Funding for this award will be from budget code 35-331 Custodial Supplies.

Please contact me should you have any questions.

The bid for *Service & Maintenance Agreement for Stryker EMS Equipment #2022-037* has been carefully reviewed by the Fire Department.

The Department received only one (1) bid and that vendor has met all the specifications outlined in our request. Therefore, I recommend the bid be awarded to the following vendor:

Stryker Medical, Redmond WA

Only two (2) vendors are authorized by Stryker Medical to provide service and maintenance on Stryker Medical Equipment. The other vendor, EMSAR Northeast, did not submit a bid the past 2 years.

Funding for this bid contract will come from budget code 35-340 Service Contracts.

The current bid will expire on 8/24/21 and, if approved, the new bid will have an effective date of 8/25/2021 through 8/24/2022, for an amount not to exceed \$7,500.

Re: Paper Products Bid 2022-040

Comments: Dear Pat,

We received four bids for Paper Products for the Pilgrim Senior Center. After comparing the four bids, I am recommending that the bid in the amount of \$2,800 be awarded to the lowest bidder:

Imperial Bag and Paper Company, LLC
255 Route 1 & 9
Jersey City, NJ 07306

The current bid expires June 30, 2021. The bid period for bid 2022-040 is July 1, 2021 through June 30, 2022 and is a draw down for line item 47-209, Food and Nutrition, since the paper goods are used for our Congregate Meal Program and our Coffee Shop.

Thank you for your consideration in this matter.

Sincerely,

Re: Service agreement of City Hall, City Hall Annex, Warwick Police Department,
Animal Shelter, Fire Station 1 and Public Works Department

The above references a service agreement the City has maintained with Honeywell Building Solutions for several years. The software associated with this agreement allows the HVAC systems to be monitored closely and makes the operations of each system exceptionally efficient. It affords the City coverage for parts and labor in the event any Honeywell equipment should fail and require replacement. Currently, Honeywell charges \$201.60 per hour for a technician during normal working hours (increased from \$191) and \$302.40 (increased from \$286) for overtime hours. The vendor has honored service for the City of Warwick over the last year, however, this office was not presented with the agreement for approval until recently.

This department has confirmed that services have been provided by Honeywell. Further, this department does not find it in the best interest of the City to deny payment for services rendered under the contract price. Currently the service hours are topped out at 123.5 hours. If this agreement is not approved, it is likely that the City will be billed for hours worked under the standard rate and the cost will be \$24,897.60, instead of \$16,409.00 for the service contract. Also, the vendor representative stated they will not be charging for overage of hours due to COVID and a change in technicians. The City's best interest would not be served by the bid process as Honeywell is the proprietary vendor for the service and repairs to their manufactured equipment.

Please consider this memo a request for exception to notice, Sec. 56-6 of the Warwick Code, for Honeywell Building Solutions in the amount of \$16,409.00. The contract period would cover the period of July 1, 2020 to June 30, 2021. The next agreement has not yet been drafted due to the request to remove the Annex building from the cost.

General Terms and Conditions

1. WORKING HOURS

Unless otherwise stated, all labor and services under this Agreement will be performed during the hours of 8:00 a.m. - 4:30 p.m. local time Monday through Friday, excluding federal holidays. If for any reason Customer requests Honeywell to furnish any labor or services outside of the hours of 8:00 a.m. - 4:30 p.m. local time Monday through Friday (or on federal holidays), any overtime or additional expenses, such as repairs or material costs not included in this Agreement, will be billed to and paid by Customer.

2. TAXES

2.1 Customer agrees to pay the amount of any new or increased taxes or governmental charges upon labor or the production, shipment, sale, installation, or use of equipment or software which become effective after the date of this Agreement. If Customer claims any such taxes do not apply to transactions covered by this Agreement, Customer shall provide Honeywell with a tax exemption certificate acceptable to the applicable taxing authorities.

2.2 **Tax-Related Cooperation.** CUSTOMER agrees to execute any documents and to provide additional reasonable cooperation to HONEYWELL related to HONEYWELL tax filings under Internal Revenue Code Section 179D. HONEYWELL will be designated the sole Section 179D beneficiary.

3. PROPRIETARY INFORMATION

3.1 All proprietary information (as defined herein) obtained by Customer from Honeywell in connection with this Agreement will remain the property of Honeywell, and Customer will not divulge such information to any third party without prior written consent of Honeywell. The term "proprietary information" means written information (or oral information reduced to writing), or information in machine-readable form, including but not limited to software supplied to Customer which Honeywell deems proprietary or confidential and characterizes as proprietary at the time of disclosure to Customer by marking or labeling the name "Proprietary", "Confidential", or "Sensitive". The Customer shall incur no obligations hereunder with respect to proprietary information which (a) was in the Customer's possession or was known to the Customer prior to its receipt from Honeywell; (b) is independently developed by the Customer without the utilization of such confidential information of Honeywell; (c) is or becomes public knowledge through no fault of the Customer; (d) is or becomes available to the Customer from a source other than Honeywell; (e) is or becomes available on an unrestricted basis to a third party from Honeywell or from someone acting under its control; (f) is received by Customer after notification to Honeywell that the Customer will not accept any further information.

3.2 Customer agrees that Honeywell may use nonproprietary information pertaining to the Agreement, and the work performed under the Agreement, for press releases, case studies, data analysis, promotional purposes, and other similar documents or statements to be publicly released. The rights and obligations in this Section 3 shall survive expiration or termination of this Agreement.

4. INSURANCE OBLIGATIONS

Honeywell shall, at its own expense, carry and maintain in force at all times from the effective date of the Contract through final completion of the work the following insurance. It is agreed, however, that Honeywell has the right to insure or self-insure any of the insurance coverages listed below:

(a) Commercial General Liability Insurance to include contractual liability, products/completed operations liability with a combined single limit of USD \$5,000,000 per occurrence. Such policy will be written on an occurrence form basis;

(b) If automobiles are used in the execution of the Contract, Automobile Liability Insurance with a minimum combined single limit of USD \$5,000,000 per occurrence. Coverage will include all owned, leased, non-owned and hired vehicles.

(c) Where applicable, "All Risk" Property Insurance, including Builder's Risk insurance, for physical damage to property which is assumed in the Contract.

(d) Workers' Compensation Insurance Coverage A - Statutory limits and Coverage B-Employer's Liability Insurance with limits of USD \$1,000,000 for bodily injury each accident or disease.

Prior to the commencement of the Contract, Honeywell will furnish evidence of said insurance coverage in the form of a Memorandum of Insurance which is accessible at: <http://honeywell.com/sites/mpi/>. All insurance required in this Article will be written by companies with a rating of no less than "A-, XII" by A.M. Best or equivalent rating agency. Honeywell will endeavor to provide a thirty (30) day notice of cancellation or non-renewal to the Customer. In the event that a self-insured program is implemented, Honeywell will provide adequate proof of financial responsibility.

5. HAZARDOUS SUBSTANCES, MOLD AND UNSAFE WORKING CONDITIONS

5.1 Customer has not observed or received notice from any source (formal or informal) of (a) Hazardous Substances or Mold, either airborne or on or within the walls, floors, ceilings, heating, ventilation and air conditioning systems, plumbing systems, structure, and other components of the Site, or within furniture, fixtures, equipment, containers or pipelines in a Site; or (b) conditions that, to Customer's knowledge, might cause or promote accumulation, concentration, growth or dispersion of Hazardous Substances or Mold on or within such locations.

5.2 Honeywell is not responsible for determining whether the Covered Equipment or the temperature, humidity and ventilation settings used by Customer, are appropriate for Customer and the Site except as specifically provided in an attached Work Scope Document.

5.3 If any such materials, situations or conditions, whether disclosed or not, are in fact discovered by Honeywell or others and provide an unsafe condition for the performance of the work or services, the discovery of the condition shall constitute a cause beyond Honeywell's reasonable control and Honeywell shall have the right to cease the work or services until the area has been made safe by Customer or Customer's representative, at Customer's expense. Honeywell shall have the right to terminate this Agreement if Customer has not fully remediated the unsafe condition within sixty (60) days of discovery.

5.4 Customer represents that Customer has not retained Honeywell to discover, inspect, investigate, identify, prevent or remediate Hazardous Substances or Mold or conditions caused by Hazardous Substances or Mold.

5.5 Customer is responsible for the containment of any and all refrigerant stored on or about the premises. Customer accepts all responsibility for and agrees to indemnify Honeywell against any and all claims, damages, or causes of action that arise out of the storage, consumption, loss and/or disposal of refrigerant, except to the extent Honeywell has brought refrigerant onsite and is directly and solely negligent for its mishandling.

6. WARRANTY

6.1 Honeywell will replace or repair any product Honeywell provides under this Agreement that fails within the warranty period of one (1) year because of defective workmanship or materials, except to the extent the failure results from Customer negligence, fire, lightning, water damage, or any other cause beyond the control of Honeywell. This warranty is effective as of the date of Customer acceptance of the product or the date Customer begins beneficial use of the product, whichever occurs first, and shall terminate and expire one (1) year after such effective date. Honeywell's sole obligation, and Customer's sole remedy, under this warranty is repair or replacement, at Honeywell's election, of the applicable defective products within the one (1) year warranty period. All products repaired or replaced, if any, are warranted only for the remaining and unexpired portion of the original one (1) year warranty period.

6.2 EXCEPT AS EXPRESSLY PROVIDED IN SECTION 6.1, HONEYWELL MAKES NO REPRESENTATIONS OR WARRANTIES, WHETHER WRITTEN, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND HEREBY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE AND ANY AND ALL WARRANTIES REGARDING HAZARDOUS SUBSTANCES OR MOLD. NO EXTENSION OF THIS WARRANTY WILL BE BINDING UPON HONEYWELL UNLESS SET FORTH IN WRITING AND SIGNED BY HONEYWELL'S AUTHORIZED REPRESENTATIVE.

6.3 Honeywell shall have no duty, obligation or liability, all of which Customer expressly waives, for any damage or claim, whether known or unknown, including but not limited to property damage, personal injury, loss of income, emotional distress, death, loss of use, loss of value, adverse health effect or any special, consequential, punitive, exemplary or other damages, regardless of whether such damages may be caused by or otherwise associated with defects in the Services, in whole or in part due to or arising from any investigation, testing, analysis, monitoring, cleaning, removal, disposal, abatement, remediation, decontamination, repair, replacement, relocation, loss of use of building, or equipment and systems, or personal injury, death or disease in any way associated with Hazardous Substances or Mold.

7. INDEMNITY

Customer agrees to indemnify, defend and hold harmless Honeywell and its officers, directors, employees, affiliates and agents (each, an "indemnitee") from and against any and all actions, lawsuits, losses, damages, liabilities, claims, costs and expenses (including, without limitation, reasonable attorneys' fees) caused by, arising out of or relating to Customer's breach or alleged breach of this Agreement or the negligence or willful misconduct (or alleged negligence or willful misconduct) of Customer or any other person under Customer's control or for whom Customer is responsible. WITHOUT LIMITING THE FOREGOING, TO THE FULLEST EXTENT ALLOWED BY LAW, CUSTOMER SHALL INDEMNIFY AND HOLD HONEYWELL AND EACH OTHER INDEMNITEE HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS AND COSTS OF WHATEVER NATURE, INCLUDING BUT NOT LIMITED TO, CONSULTANTS' AND ATTORNEYS' FEES, DAMAGES FOR BODILY INJURY AND PROPERTY DAMAGE, FINES, PENALTIES, CLEANUP COSTS AND COSTS ASSOCIATED WITH DELAY OR WORK STOPPAGE, THAT IN ANY WAY RESULTS FROM OR ARISES UNDER THE BREACH OF THE REPRESENTATIONS AND WARRANTIES OF CUSTOMER IN SECTION 5, THE EXISTENCE OF MOLD OR A HAZARDOUS SUBSTANCE AT A SITE, OR THE OCCURRENCE OR EXISTENCE OF THE SITUATIONS OR CONDITIONS DESCRIBED IN SECTION 5, WHETHER OR NOT CUSTOMER PROVIDES HONEYWELL ADVANCE NOTICE OF THE EXISTENCE OR OCCURRENCE AND REGARDLESS OF WHEN THE HAZARDOUS SUBSTANCE OR OCCURRENCE IS DISCOVERED OR OCCURS. Customer may not enter into any settlement or consent to any judgment without the prior written approval of each indemnitee. This Section 7 shall survive termination or expiration of this Agreement for any reason.

8. LIMITATION OF LIABILITY

NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, (I) IN NO EVENT WILL HONEYWELL BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, EXEMPLARY, STATUTORY, OR INDIRECT DAMAGES, LOSS OF PROFITS, REVENUES, OR USE, OR THE LOSS OR CORRUPTION OF DATA OR UNAUTHORIZED ACCESS TO OR USE OR MISAPPROPRIATION OF DATA BY THIRD PARTIES, EVEN IF INFORMED OF THE POSSIBILITY OF ANY OF THE FOREGOING, AND (II) THE AGGREGATE LIABILITY OF HONEYWELL FOR ANY CLAIMS ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL IN NO CASE EXCEED THE PRICE. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THESE LIMITATIONS AND EXCLUSIONS WILL APPLY WHETHER LIABILITY ARISES FROM BREACH OF CONTRACT, INDEMNITY, WARRANTY, TORT, OPERATION OF LAW, OR OTHERWISE.

9. EXCUSABLE DELAYS

Honeywell is not liable for damages caused by delay or interruption in Services due to fire, flood, corrosive substances in the air, strike, lockout, disputes with workmen, inability to obtain material or services, commotion, war, acts of God, the presence of Hazardous Substances or Mold, or any other cause beyond Honeywell's reasonable control. Should any part of the system or any Equipment be damaged by fire, water, lightning, acts of God, the presence of Hazardous Substances or Mold, third parties or any other cause beyond the control of Honeywell, any repairs or replacement will be paid for by Customer. In the event of any such delay, date of shipment or performance will be extended by a period equal to the time lost by reason of such delay, and Honeywell will be entitled to recover from Customer its reasonable costs, overhead, and profit arising from such delay.

10. PATENT INDEMNITY

10.1 Honeywell shall, at its expense, defend or, at its option, settle any suit that may be instituted against Customer for alleged infringement of any United States patents related to the hardware or software manufactured and provided by Honeywell under this Agreement ("the equipment"), provided that a) such alleged infringement consists only in the use of such equipment by itself and not as part of, or in combination with, any other devices, parts or software not provided by Honeywell hereunder, b) Customer gives Honeywell immediate notice in writing of any such suit and permits Honeywell, through counsel of its choice, to answer the charge of infringement and defend such suit, and c) Customer gives Honeywell all needed information, assistance and authority, at Honeywell's expense, to enable Honeywell to defend such suit.

10.2 If such a suit has occurred, or in Honeywell's opinion is likely to occur, Honeywell may, at its election and expense: a) obtain for Customer the right to continue using such equipment; b) replace, correct or modify it so that it is not infringing; or if neither a) or b) is not reasonable then c) remove such equipment and grant Customer a credit; therefore, as depreciated.

10.3 In the case of a final award of damages in any such suit, Honeywell will pay such award. Honeywell will not, however, be responsible for any settlement made without its written consent.

10.4 THIS ARTICLE STATES HONEYWELL'S TOTAL LIABILITY AND CUSTOMER'S SOLE REMEDY FOR ANY ACTUAL OR ALLEGED INFRINGEMENT OF ANY PATENT BY THE HARDWARE MANUFACTURED AND PROVIDED BY HONEYWELL HEREUNDER.

11. SOFTWARE LICENSE

All software provided in connection with this Agreement shall be licensed and not sold. The end user of the software will be required to sign a license agreement with provisions limiting use of the software to the equipment provided under these specifications, limiting copying, preserving confidentiality, and prohibiting transfer to a third party. Licenses of this type are standard for computer-based equipment of the type covered by this Agreement. Customer shall be expected to grant Honeywell access to the end user for purposes of obtaining the necessary software license.

12. DISPUTE RESOLUTION

With the exception of any controversy or claim arising out of or related to the installation, monitoring, and/or maintenance of fire and/or security systems, the Parties agree that any controversy or claim between Honeywell and Customer arising out of or relating to this Agreement, or the breach thereof, will be settled by arbitration in a neutral venue, conducted in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association. Any award rendered by the arbitrator will be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Any controversy or claim arising out of or related to the installation, monitoring, and/or maintenance of systems associated with security and/or the detection of, and/or reduction of risk of loss associated with fire will be resolved in a court of competent jurisdiction.

13. ACCEPTANCE

This proposal and the pages attached shall become an Agreement upon signature above by Honeywell and Customer. The terms and conditions are expressly limited to the provisions hereof, including Honeywell's General Terms and Conditions attached hereto, notwithstanding receipt of, or acknowledgment by, Honeywell of any purchase order, specification, or other document issued by Customer. Any additional or different terms set forth or referenced in Customer's purchase order are hereby objected to by Honeywell and shall be deemed a material alteration of these terms and shall not be a part of any resulting order.

14. MISCELLANEOUS

14.1 This Agreement represents the entire Agreement between Customer and Honeywell for the Work described herein and supersedes all prior negotiations, representations or Agreements between the Parties related to the work described herein.

14.2 None of the provisions of this Agreement shall be modified, altered, changed or voided by any subsequent Purchase Order or other document unilaterally issued by Customer that relates to the subject matter of this Agreement. This Agreement may be amended only by written instrument signed by both parties.

14.3 This Agreement is governed by the law of the State where the work is to be performed.

14.4 Any provision or part of this Agreement held to be void or unenforceable under any laws or regulations will be deemed stricken, and all remaining provisions will continue to be valid and binding upon Honeywell and Customer, who agree that this Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

14.5 Customer may not assign or transfer its rights or delegate its obligations under this Agreement, in whole or in part, without the prior written consent of Honeywell. Honeywell may assign or transfer this Agreement, in whole or in part, or any of its rights or obligations under this Agreement without consent.

14.6 Notwithstanding any other provision of this Agreement or any other agreement and to the extent permitted by applicable law, Honeywell and its affiliates may, in any country in which they or their agents or suppliers conduct business, during and after the term of this Agreement, (a) collect, transmit, receive, process, maintain, modify, and use for any purpose, and disseminate, disclose, license, and sell in anonymized or aggregated form, all data and information obtained in connection with this Agreement, and (b) assign or transfer the rights under this Section 14.6. To the extent required by Honeywell, Customer will enable Internet connectivity between its applicable system(s) and the Honeywell Sentience™ cloud platform, or other Honeywell-utilized system(s), and hereby consents to such connectivity throughout the term of this Agreement. This Section 14.6 shall survive expiration or termination of this Agreement.

15. COVERAGE

15.1 Customer agrees to provide access to all Equipment covered by this Agreement. Honeywell will be free to start and stop all primary equipment incidental to the operation of the mechanical, control, automation, and life safety system(s) as arranged with Customer's representative.

15.2 It is understood that the repair, replacement, and emergency service provisions apply only to the Equipment included in the attached List of Covered Equipment. Repair or replacement of non-maintainable parts of the system such as, but not limited to, ductwork, piping, shell and tube (for boilers, evaporators, condensers, and chillers), unit cabinets, boiler refractory material, heat exchangers, insulating material, electrical wiring, hydronic and pneumatic piping, structural supports and other non-moving parts, is not included under this Agreement. Costs to repair or replace such non-maintainable parts will be the sole responsibility of Customer.

15.3 Honeywell will not reload software, nor make repairs or replacements necessitated by reason of negligence or misuse of the Equipment by persons other than Honeywell or its employees, or caused by lightning, electrical storm, or other violent weather or by any other cause beyond Honeywell's control. Honeywell will provide such services at Customer's request and at an additional charge. Customer is entitled to receive Honeywell's then current preferred-Customer labor rates for such services.

15.4 Honeywell may install diagnostic devices and/or software at Honeywell's expense to enhance system operation and support. Upon termination of this Agreement, Honeywell may remove these devices and return the system to its original operation. Customer agrees to provide, at its sole expense, connection to the switched telephone network for the diagnostic devices and/or software.

15.5 Honeywell will review the Services delivered under this Agreement on an annual basis, unless otherwise noted.

15.6 This Agreement assumes that the systems and/or Equipment included in the attached List of Covered Equipment are in maintainable condition. If repairs are necessary upon initial inspection or initial seasonal start-up, repair charges will be submitted for approval. Should these charges be declined, those non-maintainable items will be eliminated from coverage under this Agreement and the price adjusted accordingly.

15.7 In the event that the system or any equipment component thereof is altered, modified, changed or moved, this Agreement may be immediately adjusted or terminated, at Honeywell's sole option. HONEYWELL is not responsible for any damages resulting from such alterations, modifications, changes or movement.

15.8 Honeywell is not responsible for maintaining a supply of, furnishing and/or replacing lost or needed refrigerants not otherwise expressly required under this Agreement. Customer is solely responsible for the cost of material and labor of any such refrigerant not otherwise provided for under this Agreement at current market rates.

15.9 Maintenance, repairs, and replacement of Equipment parts and components are limited to restoring to proper working condition. Honeywell is not obligated to provide replacement software, equipment, components and/or parts that represent a significant betterment or capital improvement to Customer's system(s) hereunder.

15.10 Unless otherwise specified, Customer retains all responsibility for maintaining LANs, WANs, leased lines and/or other communication mediums incidental or essential to the operation of the system(s) or Equipment found included in the attached List of Covered Equipment.

15.11 Customer will promptly notify Honeywell of any malfunction in the system(s) or Equipment covered under this Agreement that comes to Customer's attention.

16. TERMS OF PAYMENT

16.1 Subject to Honeywell's approval of Customer's credit, Customer will pay or cause to be paid to Honeywell the full price for the Services as specified on the first page of this Agreement. Honeywell will submit annual invoices to Customer in advance for Services to be performed during the subsequent billing period, and payment shall be due within twenty (20) days after Customer's receipt of each such invoice. Payments for Services past due more than five (5) days shall accrue interest from the due date to the date of payment at the rate of one and one-half percent (1.5%) per month, compounded monthly, or the highest legal rate then allowed. Customer will pay all attorney and/or collection fees incurred by Honeywell in collecting any past due amounts.

16.2 **Price Adjustment.** Honeywell may annually adjust the amounts charged to Customer under this Agreement, and Customer will pay to Honeywell such adjusted amounts in accordance with Section 16.1 and the other applicable provisions of this Agreement.

17. TERMINATION

17.1 Customer may terminate this Agreement for cause if Honeywell defaults in the performance of any material term of this Agreement, or fails or neglects to carry forward the Services in accordance with this Agreement, after giving Honeywell written notice of its intent to terminate. If, within thirty (30) days following receipt of such notice, Honeywell fails to cure or perform its obligations, Customer may, by written notice to Honeywell, terminate this Agreement.

17.2 Honeywell may terminate this Agreement for cause (including, but not limited to, Customer's failure to make payments as agreed herein) after giving Customer written notice of its intent to terminate. If, within thirty (30) days following receipt of such notice, Customer fails to make the payments then due, or otherwise fails to cure or perform its obligations, Honeywell may, by written notice to Customer, terminate this Agreement and recover from Customer payment for Services performed and for losses sustained for materials, tools, construction equipment and machinery, including but not limited to, reasonable overhead, profit and applicable damages.

17.3 **Cancellation.** This Agreement may be canceled at Honeywell's option in the event Honeywell equipment on Customer's premises is destroyed or substantially damaged. Likewise, this Agreement may be canceled at Customer's option in the event Customer's premises are destroyed. In the event of such cancellation, neither party shall be liable for damages or subject to any penalty, except that Customer will remain liable for Services rendered to the date of cancellation.

18. DEFINITIONS

18.1 "Hazardous substance" includes all of the following, whether naturally occurring or manufactured, in quantities, conditions or concentrations that have, are alleged to have, or are believed to have an adverse effect on human health, habitability of a Site, or the environment: (a) any dangerous, hazardous or toxic pollutant, contaminant, chemical, material or substance defined as hazardous or toxic or as a pollutant or contaminant under state or federal law, and (b) any petroleum product, nuclear fuel or material, carcinogen, asbestos, urea formaldehyde, foamed-in-place insulation, polychlorinated biphenyl (PCBs), and (c) any other chemical or biological material or organism, that has, is alleged to have, or is believed to have an adverse effect on human health, habitability of a Site, or the environment.

18.2 "Mold" means any type or form of fungus or biological material or agent, including mold, mildew, moisture, yeast and mushrooms, and any mycotoxins, spores, scents, or by-products produced or released by any of the foregoing. This includes any related or any such conditions caused by third parties.

18.3 "Covered Equipment" means the equipment covered by the Services to be performed by Honeywell under this Agreement, and is limited to the equipment included in the respective work scope attachments.

18.4 "Services" means those services and obligations to be undertaken by Honeywell in support of, or to maintain, the Covered Equipment, as more fully detailed in the attached work scope document(s), which are incorporated herein.

SUBJECT: Bid 2019-019, Police and Fire Employees' Term Life Insurance.

This is a request to extend the Police and Fire Employees' Term Life Insurance contract with the Rhode Island Interlocal Risk Management Trust (Trust) for 16 months, with a term ending October 31, 2022. The current agreement expires June 30, 2021.

The premium increase, \$0.004 per thousand dollars of coverage for active employees, is illustrated on the table below. Retired firefighters pay the full premium. We are requesting the 16 month extension for the following reason.

The City has two, term life insurance carriers: the Trust, and Equitable which covers active and retired municipal employees who are not sworn police officers or firefighters. The Equitable contract, serviced by Cross Insurance Company, is due to expire October 31, 2022. We would like to explore the option of combining term life insurance carriers, and the possibility of self-insuring active employees. The rates are monthly, per thousand dollars of coverage.

	Coverage Level	Lives Covered	Current Rate	Rate 7/1/2021 - 10/31/2022
Active Police	50,000	179	\$0.120	\$0.124
Active Fire	50,000	169	\$0.120	\$0.124
Retired Fire	50/25,000	68	\$0.1610	\$0.1665

The 16 month cost of premiums is \$34,521.60, is based our current census. The cost will be allocated almost equally between accounts 75-178 (Fire), and 75-179 (Police). **The sixteen month cost increase is represented on the table below.**

	Covered Lives	Monthly \$ Increase	16 month \$ Increase
Fire	169	33.8	540.80
Police	179	35.8	572.80
TOTAL	348	69.6	1,113.60

We respectfully ask the Council Finance Committee to extend the contract period through October 31, 2022.

MEMORANDUM

TO: Patricia Peshka, Purchasing Agent
FROM: Jean Bouchard, Personnel Director *Jmb*
DATE: May 8, 2018
SUBJECT: Bid #2019-019 Police & Fire Term Life Insurance
Budget Accounts 75-178 (Police Active) & 75-179 (Fire Active)

As you are aware, the City recently went out to bid for the Police and Fire Term Life Insurance which is a provision in their current contracts. There were two bids received, one for the RI Interlocal Trust/Standard Life Insurance and a second bid from Hartford Life that was rejected because they altered the bid.

The current contract with RI Interlocal Trust/Standard Life Insurance expires on June 30, 2018. Therefore, the Personnel Department is recommending a three year contract be awarded to the Trust; the City's current provider based on the submitted rate of \$0.120/\$1000 for the Active Police & Active Fire. The amount submitted by the Trust in this bid is the same as their current contract with the City. The annual cost to the City each year will be approximately \$22,140.00 based on the actual active police and fire enrollment during the year. The new contract three year contract period is 7/01/18-6/30/21.

07/01/18-6/30/19	\$22,140.00
07/01/19-6/30/20	\$22,140.00
07/01/20-6/30/21	\$22,140.00
Total 3 Years	\$66,420.00

Special Note: Fire retiree's in accordance with the Fire Contract are allowed to purchase term life insurance through a deduction for the full amount of the cost for the life insurance which is deducted from their pension check. The cost is determined by the City's term life insurance carrier. The new bid cost for the Fire retiree's also is the same rate as the current contract with the Trust at a rate of \$1.61/1000 for the Retired Fire.

Previous contract period expires:
